KERYGMA

The Kerygma - 'the proclamation of the Good News' - is the simplest, yet most profound message to humanity: "the life, death and resurrection of Jesus Christ has conquered sin and death."

The well established Kerygma Coursec led by Mrs Barbara Mason (over 5 weeks) takes us through a biblical understanding of Salvation History, with personal reflection and meaning for our life.

If you wish to grow in your love of the Word of God and bring greater meaning to your life then this course is for you. The teaching is scriptural and Catholic. It will give you greater confidence in The Faith, and bring a renewal.

ST JOSEPH'S RC PRI SCH.

This week, acts of worship focused on Witness and how we can be God's hands, feet and voice in the world. While there were no major headline events, learning across school has been strong. I was especially proud of Year 4 pupils who confidently shared their Viking adventure stories with expression and pride. February also marked our official joining of Emmaus Catholic Academy Trust, with staff collaborating through a shared INSET on inclusion and SEND.

SS AIDAN & OSWALD SCH

We began the week with a whole-school assembly based on the weekend's Gospel, the Beatitudes. Throughout the week, children reflected on living Jesus' words through kindness, respect, helping others and caring for their environment, including picking up litter around school. Members of the GIFT Team attended a Partners in Prayer event at Newman College, joining other schools for shared activities, prayer and reflection, which helped them feel part of a wider, supportive faith community and strengthening their sense of belonging.
